METHODIST SPECIAL SERVICE

Series of Splendid Sermons—Six Additions to the Church—Quarterly Conference.

Four days of special services, anticipating a revival meeting to be held later on, were begun Sunday morning at 11 o'clock, at the Methodist church, with a sermon by the pastor, Dr. I. F. Betts, on the subject of "Self Examination." It was a strong and helpful discourse and well received. At the close of the service there were six additions to the church by letter, Mrs. Parthena Parnell and four daughters, and Prof. A. B. Cox.

The congregation also endorsed the plans of the board of stewards for building a new two-story parsonage at once. The Woman's Home Mission Society pledged \$1000.00 to the new parsonage fund.

Rev. H. C. Willis preached a strong missionary sermon Sunday night. He and Prof. R. O. Allen also made talks before the Epworth League Sunday evening on "The League and Missions."

Dr. Betts conducted prayer service yesterday morning from 10 to 11 o'clock. At 4 p. m. Rev. H. C. Willis preached to the ladies especially on "Woman's Work for Woman."

At the service last night Rev. Willis spoke on "Prayer and Missions," and after the service held quarterly conference.

The conference authorized the disposal of the old parsonage and the building of the new one, and the following building committee was appointed: E. J. Jenkins, Ed Hall, R. S. Webb, C. G. Walker, Dr. I. F. Betts, J. H. Allen, J. H. Webb, A. M. Waldrop, Malcolm Carnes.

"HARD TIME SOSHUL"

The members of the Daughters of the Confederacy have undertaken to raise the money for the entertainment of the state meeting of the Daughters at this place next December. To this end they have arranged a "Hard Time Soshul" to be given at the Exchange hotel Friday evening at 8 o'clock. It is explained below:

Wont you come to our Hard Times Social.

We're quite sure your mama won't care.

We will have, oh, such a good time, All the old fashioned folks will be there.

In December next, from over the state, the U. D. Cs. will come here; Rally to our support, lets entertain them so. They'll give Bryan a rousing big cheer.

We ask each one a quarter to give. In return for an evening's fun, Bring also a candle for our infallible (?) lights. May fail ere the pleasures begun.

The costumes worn must ancient be.

To accord with old-fashioned styles So don a frock of last century's make.

Though it provoke many smiles. So come to the "Elite," the Exchange hotel.

In costumes old and spirits gay, On Jan. 19th, Friday evening next, We'll entertain in the old fashioned way.

JOHNSTON MONUMENT.

Will Be Accepted From the Hands of Miss Nye.

Austin, Jan. 15.—As a result of the conference between former State Senator J. B. Dibrell of Seguin and Governor Lanham, an agreement was reached whereby the Albert Sydney Johnston monument will be finally accepted from Miss Elizabeth Nye, a sculptress. There had been a heated contest over this monument and it had been once rejected by the monument committee. Senator Dibrell is a member of the committee. The monument cost \$10,000.

The railroad commission approved the agreement between the St. Louis, Brownsville and Mexico, and San Antonio and Aransas Pass railways for a series of grade crossings where these two roads cross each other.

The supreme court overruled the motion for a rehearing in the case of the International and Great Northern railway against the railroad commission. This is the case wherein the commission ordered an overhead crossing where the International crosses the Katy. The International enjoined the commission, but the supreme court sustained the commission.

The governor appointed John E. Mitchell of Washington, D. C. Texas commissioner of deeds for the District of Columbia.

BAPTIST CHURCH MEETING.

Revival Services Closed Sunday Night—Nine Additions to the Church.

The two weeks revival services conducted by Dr. B. A. Copass of Waxahachie at the First Baptist church closed Sunday night. The immediate results of the meeting have been a great religious awakening in the church and in the community, twenty or more public professions and nine additions to the church. The influence of the work and the devout and consecrated man who conducted it will be potent and lasting powers in the community, and Dr. Copass will be held in grateful remembrance by the hundreds who have heard him.

Dr. Copass was sick Friday, Saturday and Sunday, and Dr. Butler, the pastor, who was active in the work of the meeting throughout its course, did the preaching for the last three days, and contributed largely to the good results.

The door of the church was opened at the Sunday morning service and the following united with the church: By Letter—Mrs. G. R. Wicker and Miss Alma Driver. By Baptism—Mrs. J. R. Zimmerman, Miss Bessie Marriott, Miss Annie Belle Batte, Miss Laura Dunlap, Miss Villa McCullough, Mrs. Arthur White, Spurgeon Lasenby.

TEXAS WOMAN'S COLLEGE.

Board of Directors Adopted Plans—Will Advertise for Bids and Build at Once.

Pursuant to call the board of directors of the Texas Woman's College held a meeting last night with twelve members present including Rev. M. T. Andrews of Marlin, Rev. T. L. Fulbright of Caldwell, J. H. Suber of College, out-of-town members, and Mr. R. D. Steele of Houston, architect.

Dr. Butler presided at the meeting and resigned the chairmanship of the board owing to his connection with the school as president. Mr. H. O. Boatwright was elected to fill the vacancy.

The board adopted the plans of Steele & Fountain for the new college building practically as heretofore submitted, and authorized the appointment of a building committee. Dr. Butler was made chairman of said committee with authority to name the other members, which he has not yet done.

The board also passed a resolution to advertise for bids at once and begin work on the new building as early as possible.

A number of timely talks were made and those of the out-of-town members were especially encouraging and contained the assurance that all south Texas is in hearty sympathy with the movement.

In this connection it is pleasing to note that the enrollment has grown to seventy-five, and that the school has not lost a pupil since the beginning.

The Eagle congratulates the promoters of this great enterprise and the people of Bryan upon the success which it has achieved and the marvelous growth and development which is foreshadowed.

THE MORNING EAGLE

Entered at the Postoffice as second class mail matter.

BY CARNES & WALLACE.

Per Week, 15c - - Per Month, 40c

BRYAN, TEXAS, JAN. 16, 1906.

ANNOUNCEMENT.

Referring to announcement elsewhere, the half interest of Mr. W. P. Connelly in the Bryan Eagle news and job printing plant and business has been purchased by Mr. M. E. Wallace. The trade became effective by agreement on January 1st, but owing to the absence of Mr. Connelly at that time the details were not concluded and the transaction closed until yesterday, Jan. 15. There will be no change in the policy of the paper or the management of the business, and the new firm guarantees to maintain whatever standard of excellence has been achieved in the past in conducting the paper and in serving patrons promptly and efficiently in the printing department.

Mr. Wallace has been connected with the Eagle nine years and has been in charge of the inside work of the office for several years. He is thoroughly familiar with every detail of the business and with the wants of all patrons of the office in the printing and advertising line. He is also recognized as a printer of the first class in the expert de-

signing and execution of high-grade work. He and the senior member of the new firm will appreciate the continued patronage and confidence of all old customers and the equal favor of new ones.

The retirement of Mr. Connelly from the business is deeply regretted by his former associate and the entire office force, and his removal from Bryan is a distinct loss to the community which will be generally felt. He is not only an all-round newspaper man and printing expert, but a broad-minded, enterprising and progressive citizen who will contribute to the welfare of any community in which he may reside. He enjoys a large acquaintance throughout the state and is everywhere highly esteemed for his personal worth and business qualifications.

Mr. Connelly has formed a partnership with Mr. O. R. Young of El Paso and they have purchased a printing plant in that city and assumed charge of the same. Mr. Connelly returns at once to El Paso. The loss of his family, while not immediate, will also be keenly felt in social circles and among friends and neighbors who have ever found them true to the best sentiments and obligations of association.

The people of this community will join the Eagle unreservedly in wishing for Mr. and Mrs. Connelly the greatest happiness and success in their new home, El Paso, one of the best and most progressive cities in the West.

A WORD OF LEAVE TAKING.

After a connection of twelve years with the Bryan Eagle as associate editor and publisher, it devolves upon me now to announce the severance of my relations with the paper. I have transferred my interest in the Eagle to Mr. M. E. Wallace, who, in partnership with my long time associate, Mr. Malcolm Carnes, will continue the publication of the Eagle and the printing business as heretofore conducted. Other duties and business interests incident thereto, render my further continuance with the Eagle impracticable. I feel grateful indeed for the share of patronage that my associate and I have enjoyed, and hope that Messrs. Carnes & Wallace, successors to the old firm of Connelly & Carnes, will not only receive an equal share of the public's favors, but that they may push on to a much greater success. The new firm possess every claim upon the public for most favorable consideration. They are young men of energy, capacity and experience in their field of labor and their work will merit a full measure of appreciation and patronage.

With none but a feeling of sadness do I sever the ties of interest and affection that bind me to the people of Bryan and Brazos county. For a decade their public interests, their common hopes and aspira-

tions, have been mine. I go to labor in a new field, to take up new interests, to seek new alliances and make other friends, but the ties that bind me to those I leave behind are too strong to ever be released while memory endures. To one and all, in this word of parting, I wish none but the highest and truest good.

W. P. Connelly.

DISSOLUTION NOTICE.

The firm of Connelly & Carnes is this day by agreement dissolved, Mr. Connelly quitting the old firm to be succeeded by Mr. M. E. Wallace. The accounts of the old firm contracted before the first day of January, 1906, remain the property of the old firm, while those created since that date are the property of Messrs. Carnes & Wallace. All outstanding obligations of Connelly & Carnes are assumed by their successors, the new firm of Carnes & Wallace.

Under these circumstances, a prompt settlement of all accounts due the firm of Connelly & Carnes will be greatly appreciated.

W. P. Connelly,
Malcolm Carnes,
M. E. Wallace.

DEATH OF F. E. FELDER

Father and Daughter Go Hand in Hand to the Great Beyond.

Sunday morning at 10:15 o'clock Mr. F. E. Felder died at his home in this city. He had been ill for some time, but was confined to his home only a few days, and the serious phase of his illness was not manifested until Saturday.

Mr. Felder was 35 years old, a son of Mr. and Mrs. Alf Felder, and was reared in Brenham. He was married to Miss Annie Northrup of Giddings, and leaves a wife and two children. He came with his family to Bryan a few years ago, and has since made his home here with the exception of one year. He was an expert cotton man and with the firm of Geo. W. Smith & Co. He was also a perfect gentleman and he and his family had endeared themselves to the people of Bryan to an extent that they will ever be fondly remembered.

His own death following immediately after that of his little daughter, Catherine, who died on Friday, and was buried Saturday, made the sorrow of this family inexpressible deep and poignant and the sympathy of the community goes out to them unreservedly.

The body of the little girl was exhumed on Sunday and taken to Brenham with that of her father. Mrs. Felder and two children, Mr. Tom Felder of Brenham, who was here attending his brother, Messrs. Geo. W. Smith, Edward Sally and Joe B. Reed accompanied the remains to Brenham, Mr. Reed representing the Maccabees of which order Mr. Felder was a member.

MONROE EDGE

We have been working for two months digging up bargains, and have turned down everything that is not a bargain. In other words—we positively refuse to list property unless the owner wishes to sell at its value. The land business is the same as dry goods or groceries; it does not pay to advertise when the price is too high. But by cutting the price and also advertising we expect to be able to bring the purchaser and seller together. We have the following special bargains to offer to-day, which can be used at our advantage by both speculator or home-seeker.

Five lots and a three room house two blocks from I. & G. N. depot at \$400.00.

One 4 room house and one 3 room house with two acres in city limits at \$450.00.

25x50 feet lying between the White furniture store and railroad. A splendid location for a warehouse. Make me an offer.

Three houses and one full lot in "Bon ton" part of city—the cheapest thing ever offered in Bryan.

Other city property cheap. Also a large list of farm lands. In fact, if you want to speculate or invest in a home you will lose money by not seeing us.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach, and expose the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.

Kodol Digests What You Eat Make the Stomach Sweet. Bottles only, Regular size, \$1.00, holding 2½ times the trial size, which sells for 50 cents. Prepared by E. O. DeWitt & Co., Chicago, Ill.

Commission to Five Civilized Tribes Makes Final Report.

WHAT HUNTER SAYS

DIFFICULT TO ENROLL

Secretary of Dallas Commercial Club Declares Railroads Refused Reduction Because Many Are For Rate Regulation.

Chicago, Jan. 15.—A dispatch to the Record-Herald from Dallas, Tex., says: John G. Hunter, secretary of the Dallas Commercial club, announced that the proposed visit of Texas commercial club to northern and eastern cities had been abandoned because of the high rates demanded by eastern railroads to carry the party, and he declared the railways had adopted this means as a club against advocates of railway rate legislation. He asserted the roads did not wish to have the Texas men visit Washington at this time, as was proposed, because many of them were pronounced advocates of rate legislation. Commercial bodies of several Texas cities were to have taken the trip, all plans for which had been made in the belief that the roads would grant satisfactory rates.

CLERGYMEN SEATED.

Over Twenty Speeches Were Made Before This Action Prevalled.

New York, Jan. 15.—After a stormy meeting the Federated union passed a resolution to admit as fraternal delegates Rev. M. S. Littlefield and Rev. John B. Devins, representing the New York presbytery. It looked at first as if the Socialists, who were up in arms against the admission of the clergymen, would carry the day. Mr. Littlefield, who sat through the whole proceedings, turned the tide by a little speech he made before the vote was taken. The conditions under which the two clergymen were admitted provided that they are to have neither voice nor vote.

No less than twenty-three speakers talked on the subject, most of them against the admission of the clergymen. "We don't want any sky pilots here," said August Gildmeister of the Atlantic Coast Seamen's union. "This body has only to do with earthly things. Before we look after our souls we ought to see that our bodies are not starving."

Ephraim Kaufmann of the Clothing Cutters' union scored the delegates for their narrowness, as also did former Assemblyman Prince, who represented the Cigarmakers' union.

The speeches which followed were a medley of Socialism, trade unionism and religion. Mr. Littlefield finally got the privilege of the floor.

"I represent a closed shop," he said, and he was interrupted with shouts of applause. Then he explained that his closed shop was the ministry, every member of which had to be thoroughly qualified. "I want to say," he continued, "that I am getting a church built and none but union men will be allowed to finish it."

More applause followed, and Mr. Littlefield went on to say that all the ministers wanted was to get a chance of investigating labor conditions at the fountain head, and invited the delegates to send representatives to the meetings of the presbytery. His speech turned the scale, and by a vote of 68 to 23 it was decided to admit the pastors.

NOT YET SEVERED.

Diplomatic Relations Between France and Venezuela the Same.

Paris, Jan. 15.—The positive statement was made at the foreign office Monday that diplomatic relations between France and Venezuela had not yet been officially broken off. Mr. Taigny, French charge, still remains at Caracas. A rupture, however, is imminent, though the order to sever relations with Venezuela has not been dispatched. All communications, owing to the interruption of direct telegraphic connection with Caracas, pass through Washington, with which capital an understanding exists. The American minister, Mr. Russell, will take charge of French interests in Venezuela, when official notification of cessation of diplomatic relations is given.

Report of a French squadron proceeding to Venezuelan waters are not confirmed, but, on the other hand they are not denied.

Officials here maintain the strictest discretion relative to the measures France is likely to adopt.

Why Firm Liquidates.

Cleveland, Jan. 15.—R. Fahey & Co., stock and grain brokers, have gone into liquidation and retired from business. The firm states this action was taken owing to speculations of a trusted employee and continued ill health of R. Fahey.

School Lands Leased.

Fort Worth, Jan. 15.—D. M. Devitt of this city has leased the Scurry county school lands in Hockley and Cochran counties for a period of five years at 7 cents per acre, an increase of 2 cents over former lease. There are 17,000 acres.

Cigar Store Burglarized.

Fort Worth, Jan. 15.—The cigar store of H. B. McGar, located in the Fort Worth National bank building on Main street, was burglarized Sunday night and a quantity of cigars stolen.

Taking Much Interest.

City of Mexico, Jan. 15.—French capitalists are taking much interest in Mexican investments.

Allotment Work Yet to Be Accomplished, Say the Commissioners, Can Be Done Under Direction of Hitchcock.

Washington, Jan. 15.—The final report of the commission to the five civilized Indian tribes in Indian Territory to Secretary of the Interior Hitchcock, covering the fiscal year 1905, when the existence of the commission officially ended, says it has accomplished the purposes for which it was created, although such matters of final allotment of lands to the Mississippi Choctaws and allotment contest cases must necessarily go on for a considerable time.

The allotment work yet to be done can as well be finished under the direction of the secretary of the interior, the report says. The estates of these tribes have been administered and the many thousands of conflicting claims adjudicated at a cost the government, which alone had to bear the expense, of less than 10 cents per acre.

The commission has negotiated the agreements necessary to the dissolution of the tribal governments and the transfer of land titles from the tribes as communities to the individual Indians.

The commission experienced great difficulty in enrolling the members of the different tribes, and especially in making the rolls absolutely correct, owing to the peculiarities of Indian nomenclature, marriages with whites, etc. The Choctaw and Chickasaw nations had 66,217 applicants for enrollment; Cherokees, 46,464; Creeks, 10,110, and Seminoles, 3,711, and out of this total of 135,962 Indians, 89,295 were enrolled or identified, 33,522 refused or dismissed and 13,155 are still undetermined. Out of the total 19,125, 976 acres of land up to June 30, 1905, there was allotted 12,754,347 acres.

PLANS APPROVED.

Cotton Belt to Spend Two Million Dollars for Improvements.

St. Louis, Jan. 15.—Plans for the expenditure of \$2,000,000 in improvements have been approved by Vice President and General Manager Britton of the Cotton Belt route, and orders have been issued that the work be started at once.

The most important improvements suggested is a bridge across Red river at Shreveport, and the construction of an eight-mile system at that point. A large amount of money will also be expended in raising and improving the grade in Arkansas and Texas.

In addition to the new station recently erected at Pine Bluff, Ark., the plans provide for an additional expenditure of \$60,000 for terminal facilities.

CASUALTY LIST.

Charles H. Johnston, a farmer of Cleveland county, found dead in a hotel.

The injured are: John Sing of Okarche, right arm torn off in elevator belt; and Lawrence Wilson of Cushing, several toes severed by mistroke of ax.

Cherokee's Passengers Saved.

Atlantic City, N. J., Jan. 15.—After spending twenty-four hours in terrible anxiety lest they be wrecked and swept into the sea, the passengers and crew, sixty in all, of the Clyde line steamer Cherokee, bound from San Domingo for New York, which went aground on the brigantine shoals Friday, were rescued late Sunday afternoon and landed at the inlet here.

On Wrong Side.

St. Paul, Jan. 15.—James A. Doran, doing business as a broker under the firm name of James A. Doran & Co., announced his suspension. Mr. Doran says his liabilities will exceed \$200,000. The failure is attributed to the firm's having been on the wrong side of the stock market.
